**Consecration & Dedication of the Church**

Sunday November 6<sup>th</sup>, 2016

**SPIRITUAL MESSAGE**

When the building of a new church begins, it is desirable to celebrate a rite to ask God's blessing for the success of the work and to remind the people that the structure built of stone will be a visible sign of the living Church, God's building that is formed of the people themselves. In accordance with liturgical tradition, this rite consists of the blessing of the site of the new church and the blessing and laying of the foundation stone. When there is to be no foundation stone because of the particular architecture of the building, the rite of the blessing of the site of the new church should still be celebrated in order to dedicate the beginning of the work of God.
