تفسير أيقونة "كتاب ميلاد الرب"

أيقونة الإشراف هذه، عناصرها موجودة في معظم أيقونات الدبح لدى كل التقاليد الأيقونوغرافية. العنصر الثالوثي، الأب بظهور اليد (خيروفانيا)، رمز للخالق ولصوته الذي سمعناه ولم نره إلا بصورة الابن المتجسد، المعتمد في الأردن على يد سابقه وصابغه. الروح بشكل حمامة تتحدر من الأعلى، فوق رأس الابن. الملائكة هرعوا حاملين المناديل لتثقيف الجمرة المعتمدة والتي يُرمز لها بشعلة النار الطافية على المياه. إنها ميزة خاصة بتقليدنا السرياني الماروني، إذ أن جمع النار والماء هو صورة لجمع اللاهوت والناسوت، بشخص ابن الله المتانس، بكمال ألوهيته وإنسانيته.
الأب عبدو بدوي.

“TESTIMONY OF THE FIRST DISCIPLES ”

"Come and you'll see." Jesus uses the same words to call all his disciples. It is Christ who calls and it is up to man to answer. None of the disciples are alike. They come from all walks of life and all have different personalities and talents. Jesus chooses his disciples from among sinners, even the most hardened. Christ looks beyond sin.

He sees the potential of the person and raises him to the highest level by inviting him to be his disciple. He could have chosen men who were more holy or smarter. He read in their hearts and he saw their generous spirit eager to know and live the truth.

"And they stayed with him". The decision made freely to follow Christ is the greatest moment in the life of the disciple. The Christian who understands his purpose in life knows that true happiness is found by saying 'yes' to Christ. Yet it is never easy, because Christ asks for unconditional commitment and this implies three virtues:

Faith: total faith in Christ even when we do not understand everything.

Humility: to know that without Christ we can do nothing.

Sacrifice: to detach our heart from the world to love Christ without reserve.

“Pope Francis”

The Holy Father began his sermon from the first reading that the liturgy gives us today from the message of St. John the First, in which he speaks of the spirit of the world. He says: "Everything that is born to God overtakes the world." He refers to daily jihad against the false spirit of the world. That the Spirit of God is sincere. The spirit of the world is the spirit of pride and things that do not have strength or foundation, things that fall. The spirit of the world is "full of air" and deceives because it is the son of a lying father. The Apostle continued to say that the Apostle offers us the path of the realism of the Spirit of God, which is not based on words, but in which the words and deeds correspond. If you have the Spirit of God, you will do good things. John the Apostle speaks of a daily command that "He who does not love his brother when he sees him cannot love God and he does not see him." If you are not able to love what you see, how can you love something you do not see? So your words are just empty words. The pope urged believers in this context on the life of love and said that this person you see and you can touch is a real person, not a fantasy you do not see. If you are not capable of appreciating the love of God, you do not really love God. The spirit of the world, which is a spirit of division, mixed up in the family, community or society, is always divided, divisions grow, followed by hatred and wars ... But St. John also goes further and says: "If anyone says," I love God, was a liar, "a son of the spirit of the world, which is nothing but a false lie and mere manifestations. So this is a call to think: Do you love God? Let us go in our answer to the comparison to see how we love our brothers and thus how we love God. The first indicator is a question we should all ask ourselves: Do I pray for people? Do I pray for them all for the sake of kindness and hatred, friends and enemies? The second indicator is the question: When I feel envy and jealousy towards people, do I get the desire to wish them evil? This is a sign that you do not like. Thus stopping and not allowing these feelings to grow because they are serious. The daily indicator, which indicates that I do not like the latter, and therefore because I do not like God, is chatter. Let us put this in our hearts and minds clearly: If I am rich, I do not love God because I chattered people. The chatter sounds nice but it destroys the mark that you do not like. When someone stops chattering in his or her life, he becomes close to God, because not to chatter is to protect the neighbor and protect him, but to protect God in the near future.

أيها الروح القدس، نقفُ أمامك،
باسمِكَ نجتمعُ معاً.
تعالِ إلينا، أرشدنا،
أجلَّ في قلوبنا.
علمنا ما يجب علينا القيام به،
وأرشدنا الى الطريق
الذي يجبُ أن نتبعه معاً.
لا تسمحْ لنا نحن الخطاةُ
أن نسيء الى العدالة،
لا تسمحْ للجهلِ أن يقودنا
الى الطريق الخطأ،
